Coreadvantages

All-in-One Compact Powerhouse

Designed for the high-volume A4 documents that dominate daily office work, it consolidates printing, copying, scanning, and faxing into one compact unit. It delivers full functionality efficiently, making it the smart choice for balancing space and productivity.

Compact Design, Saves Space

Compact dimensions (418x391x515mm) integrate printing, copying, scanning, and faxing, significantly saving office space.

Stylish Design, Elevates Workspace

Featuring refined aesthetics and an integrated tunnel-style output tray with clean lines, it adds a touch of modernity and professional style to any workspace.

Smart GUI, Intuitive Operation

Features a 5-inch color touchscreen with a unique GUI, capacitive touch, and a built-in browser for PC-free web printing.

High-Speed Output, Boosts Efficiency

Print speeds up to 47 ppm (M612), powered by a Quad-Core processor and Gigabit Ethernet for fast bulk job processing.

Mobile & Wireless, Print Freely

Standard Wi-Fi and AirPrint support enable direct wireless mobile printing from iOS devices for flexible work.

High Resolution, Professional Quality

1200x1200 dpi high resolution ensures sharp, clear output for both text and images.

High-Capacity Setup, Uninterrupted Work

Standard 500-sheet paper capacity, expandable to 1550 sheets, with a 250-sheet output tray, meets high-volume demands and reduces reloading.
